

Utah Spring 3rd Grade Statewide Norm-referenced Testing Program Reading Test

Quick Summary:

- Utah schools will administer the ITBS, Form **C** Survey Battery **Vocabulary and Reading Comprehension** tests beginning in March 2008.
- The Grade 3/Level 9 Vocabulary and Reading Comprehension tests require only 30 minutes of student working time.
- Separate spring testing administration dates exist for Year-Round and for Nine-Month schools.
- Test administration must occur in a single, thirty-minute session at any time during the appropriate testing window
- The fall and spring ITBS Reading tests share identical administration protocol.
- Student accommodation and inclusion requirements are the same for the spring as they were in the fall.
- Student answer documents will be returned to USOE for scoring upon completion of testing.
